Chamber Benefit Plan

CHAMBER BENEFIT PLAN FREQUENTLY ASKED QUESTIONS

What are the eligibility requirements for the Chamber Benefit Plan?

For your business to be eligible to participate in the Chamber Benefit Plan, you must:

- Have 2–50 eligible employees enrolled in your medical plan
- Be domiciled in Missouri
- Be in good standing with the Missouri Chamber of Commerce and Industry or your local participating chamber that satisfies the Missouri Department of Insurance requirements

Is the Chamber Benefit Plan available on any health network?

In the eastern portion of the state, the Chamber Benefit Plan is available on Blue Access, Blue Access Choice and Blue Preferred health networks through Anthem. Dental and Blue View Vision Network are also through Anthem.

How does the Multiple Employer Welfare Arrangement (MEWA) model benefit small business employers?

The MEWA model allows small business employers to join together in a self-funded pool to share in the overall claims risk.

Do these health coverage plans include dental and vision benefits?

Plans in the eastern region of the state include options for dental and vision benefits through Anthem. You may be eligible for a medical discount by bundling dental and vision with your medical coverage.

Does the Chamber Benefit Plan offer a Health Savings Account (HSA)?

Yes, the Chamber Benefit Plan offers fully integrated Health Savings Accounts through Central Bank to participants in the eastern region.

Am I eligible for the Chamber Benefit Plan if I have offices outside the state of Missouri?

If the business is headquartered in Missouri, out-of-state offices and employees are also eligible for the Chamber Benefit Plan. In fact, the plan has members in every state in the U.S.
